

Terms of service of the TRY File Archive (2020-06-01)

Plant trait data in the TRY File Archive (<https://www.try-db.org/TryWeb/Data.php>) are public under the Creative Commons Attribution License 'CC BY' (<https://creativecommons.org/licenses/by/4.0>).

However, the availability of individual datasets may be restricted for two years by data contributors ("Restricted, permission required in each case").

Data download from the TRY File Archive is unrestricted - unless a restriction has been posed on the individual dataset by the data contributor - and requires only a free registration needed for web security reasons.

The contributed datasets are made available 'as they are'. The TRY initiative is not responsible for the content of the datasets.

The scientists that decided to share these data rely on the ethics and integrity of the users. To assure that the data providers receive fair credit if their data are reused, the TRY File Archive requires appropriate citation of the

- Reference to the publication (if existing), and
- Reference to the data package
